BHD ONLINE

A special online edition of a unique social city academic festival offering a value programme at a point where Christianity meets today's society!

BHD Online organizers offer the programme for free. They also offer a possibility to access the information and events recordings for free submitting an email address.

Submitting my email address I take into account my personal data (email address) will be processed for the sake of informing of the events recordings, programmes and other events of The Ladislav Hanus Fellowship (BHD Online organizer.) All the email communication will be held in conformity with General Data Protection Regulation (GDPR) [2016/679](#).

I also take into account I may request to cancel the subscription anytime at kancelaria@slh.sk, in case I do not wish my personal data to be processed anymore.
